Discussion of prior art, + possible additional prior art from 09/962624 gave a better understanding of their meaning relative to claims. It was suggested incorporation of limitations of CLM 155 may overcome prior art. It was agreed to amend "active" as supported by Spec. to be biologically or physiologically active. It was also pointed out that an amendment in the Transmittal/Cover Sheet of Nov. 19, 2004 (paper 31) would overcome the Priority issue.
